SPORTS GOODS EXPORT PROMOTION COUNCIL
www.sportsgoodsindia.org

THE SPORTS GOODS EXPORT PROMOTION COUNCIL

The Sports Goods Export Promotion Council (SGEPC), a Government of India sponsored organization is working for the promotion of India's exports of sports goods and toys.

SGEPC represents all the leading manufacturers and exporters of sports goods and toys in India. The one point objective of SGEPC is to promote exports of sports goods and toys from India. Its range of activities spur the industry's performance on one hand, and help to promote India's presence internationally on the other.

Trade Promotion Activities

SGEPC organizes trade promotion activities like Indian participation in international trade fairs, visits of business delegations, promotional campaigns in international markets, etc.

Dissemination of Information

SGEPC provides important information to its members on market intelligence, standards & specifications, quality & design and on other issues which directly or indirectly affect the industry.

Link between the Industry and the Indian Government

SGEPC is the direct link between the industry and the Government whereby it provides feedback on industry's requirements to the Indian Government and also informs Government directives to the industry.

Export Statistics and Projections

SGEPC collects exports data from its members, maintains a statistical record of exports of sports goods and toys and evaluates its performance on an annual basis.

Export Awards

SGEPC recognizes the achievements of exporters and awards the top performers annually.

goDiscover Interactions LLP

“Enhance learning by developing trustworthy products that will engage children of all ages worldwide.”

goDiscover is an award winning educational games startup dedicated to bring right bit of technology for kids to enjoy learning in the most traditional, organic and simple ways. As many parents today are stressing digital detox for their kids, we just help them out by developing a range of screen-less kits that will intensify children’s learning and social skills, as well as ensuring they’re having fun.

About Us

We are a team of educators, researchers, psychologists with one simple philosophy: Learning CAN and SHOULD be as much delightful as Playing! We believe that children learn the best when they do things on their own by touching, listening, speaking and playing and this is why interaction is the principle focus of our products.

Products

The secret sauce of our products is magical for kids: They talk by themselves and ask children questions, tell jokes and sing songs. The child interacts with the content and builds more interaction by adding audio content himself. We have conceptualized products- talking books, charts, washable and re-recordable stickers to achieve the best and desirable learning outcomes.
