**To: All Members of the Council.**

Greetings from The Sports Goods Export Promotion Council.

We would like to take this opportunity to thank you for being member of The Sports Goods Export Promotion Council and allowing us to serve you.

The Sports Goods Export Promotion Council provides various benefits and works closely with the Government of India on issues related to Policy Matters in Sports Goods & Toys Sector. The Members of the Council received various financial benefits including Export Performance Certificate for Duty Free Import of materials, MAI grants etc during 2021-22.

For some period of time, due to the pandemic restrictions on Travel and physical gatherings, The SGEPC was not able to organize physical events. To ensure that the council members are kept updated and in touch with the market, communication via circulars and various notifications and guidelines issued by Governments from time to time were regularly shared with the members.

The SGEPC organized its own virtual events for the Toys & The Sports Goods so that the members are in touch with the international buyers and do not lose on any business opportunity. With the restrictions being phased out, The SGEPC did not miss out on any opportunity and organized the participation of its members in the FSB Cologne, held in Germany in the month of October 2022.

With the restrictions now practically over, The SGEPC has already organized a Skill Development and Export Awareness Workshop for the Manufacturers and Exporters of Toys in the month of March 2022 and has started the preparations for all the international events related to the sector for the FY 2022-23 with the BSM in U.K. and Ireland to be held in June 2022
