Indian Sports Goods Industry

India is fast emerging as an important supplier of quality sports goods to the global market. Indian sports goods are being exported to more than 150 countries and are in demand for their performance, reliability and unmistakable value proposition.

Indian sports equipment are being used at the highest level of sporting events and training academies, including the Olympics and world championships. Some of the disciplines using Indian sports goods and accessories at the professional level include Cricket, Hockey, Track & Field, Boxing, Goal games, etc. Indian promotional products are also very popular.

The industry is rapidly embracing new technology and adapting its products to keep up with the fast changing global trends. With robust and augmenting domestic market adding to the expanding overseas market, Indian sports goods industry foresees increasing presence both in Indian and international markets. The growth momentum of Indian industry is supported by its huge reservoir of skilled workforce, well established supporting and ancillary industries and availability of basic raw materials required for producing a wide variety of products.

Indian Toys & Games Industry

Indian Toys play an important role as cultural ambassadors, reflecting 5000 years of Indian civilization. India produces a wide range of Toys viz., plastic, mechanical, soft/plush dolls & animals, board games, puzzles, educational games, metal and tin, wood, Battery operated pullback Toys etc. The range of toys manufactured in India reflects our cultural diversity. The Toy Industry provides employment opportunities to over 3 million workers of which women constitute about 70 percent of workers.

Indian Toys are timeless, Indian toys are ageless enjoyed by everyone, Indian Toys are safe, Indian Toys are skill enhancing, Indian Toys encourage interaction.

Play, with emphasis on safety and learning are the core foundations for the Toy Industry in India. In line with its commitment of manufacturing safe toys for the user's safety, Toys have been brought under compulsory Bureau of Indian Standards certification by the Government of India, making it mandatory for all toys manufactured

or sold in India to comply with the BIS standards IS 9873 and IS 15644 which are at par with most of the international standards followed across the globe.

The Indian Toy Industry, fuelled by the vast domestic market has now turned its attention to the global markets and is geared to meet the international demands. The Toy Industry is growing at a CAGR of around 25% plus for the last 6 years and the Exports have crossed the level of USD 300 million last year with exports to more than 130 countries. The Indian manufacturers are catering to both large and small volume requirements and are exporting to the most developed markets in the world.

Why buy from India

- Indian Toys & Sport Goods Industry is well established and exports quality products to more than 150 countries, supplying to leading International Brands.
- Ease of Doing Business - India ascended 17 notches and India has emerged as one of the most attractive destinations not only for investments but also for doing business.
- India is the largest democracy and has a stable economy. Its huge domestic market maintains steady growth at all times.
- India has an uninterrupted supply of raw materials, supported by well established ancillaries for processing raw materials.
- Indian Sports Goods & Toy Industry is backed by dedicated units using mechanized tools and machinery, run by skilled work force for exports.
- Indian Toys & Sports Goods manufacturing units are quality and Process certified, socially compliant and environmentally responsible.
- India is the worlds second biggest English-speaking country, with the internet penetration rate of more than 45% and 0.9 billion smart phone users.

THE SPORTS GOODS EXPORT PROMOTION COUNCIL

The Sports Goods Export Promotion Council (The SGEPC), a Government of India sponsored organization, is working for the development and growth of the Indian Sports Goods and Toys Industry with a focus on promotion of India's export of the Sports Goods & Toys.

The SGEPC acts as a direct Link between the Industry and Government. The SGEPC supports the industry in a range of activities to spur the industry's performance on one hand and promote India's presence internationally on the other.

The SGEPC to promote the industry, carries out various national & international activities and also provides policy support.

The Support provided by The SGEPC includes:

- Trade Promotion Activities
- Sharing Market Information and Market reports on international trends of the industry
- Seminars and workshops on subjects of importance to exports
- Export Statistics and Projections
- Export Import Policy updates
- Assistance in data compilation
- Dispute resolution with international buyers through Missions
- Apart from the above, The SGEPC recognizes the achievements of Exporters and awards the top performers annually.
- Over and above this, the members of The SGEPC enjoy other benefits too as part of export promotion.
