Sports Goods from India

Indian Sports Goods Industry

India is fast emerging as an important supplier of quality sports goods to the global markets. Indian sports goods are being exported to more than 100 countries and are in demand in some of the most developed nations of the world. The industry is rapidly embracing new technology and adapting its products to keep up with the fast changing global trends. With robust and augmenting domestic market and fast expanding overseas market, Indian leisure industries foresees its increasing presence in both Indian and International markets. The growth momentum of Indian industry is supported by its huge reservoir of skilled workforce, well established supporting and ancillary industries and availability of basic raw materials required for the industry.

Issues of social and corporate social responsibility have been given prime importance by the industry. Landmark achievements are being made for adult education and overall betterment of the industry's workforce.

Though the sports goods industry is spread all over the country, Jalandhar and Meerut are the most important centers for manufacture of Indian sports goods. The other major manufacturing centers of the industry in India are in and around the National Capital Region, Mumbai, Pune, Kolkata and Chennai.

Distribution of Industry

Sports Goods Export Promotion Council

Sports Goods Export Promotion Council (SGEPC), a Government of India sponsored organization is working for the promotion of India's exports of sports goods and toys.

SGEPC represents all the leading manufacturers and exporters of sports goods and toys in India. The one point objective of SGEPC is to promote exports of sports goods and toys from India. Its range of activities spur the industry's performance on one hand, and help to promote India's presence internationally on the other.

They include:

Trade Promotion Activities

SGEPC organizes trade promotion activities like Indian participation in international trade fairs, visits of business delegations, promotional campaigns in international markets, etc.

Dissemination of Information

SGEPC provides important information to its members on market intelligence, standards & specifications, quality & design and on other issues which directly or indirectly affect the industry.

Link between the Industry and the Indian Government

SGEPC is the direct link between the industry and the Government whereby it provides feedback on industry's requirements to the Indian Government and also informs Government directives to the industry.

Export Statistics and Projections

SGEPC collects exports data from its members, maintains a statistical record of exports of sports goods and toys and evaluates its performance on an annual basis.

Export Awards

SGEPC recognizes the achievements of exporters and awards the top performers annually.
